

Camp Lindenmere Connection

★ THE OFFICIAL NEWSLETTER OF CAMP LINDENMERE ★

On December 6th, more than 150 campers and staff members came together at Space Odyssey in Englewood NJ for our annual Winter Reunion. While the weather was cold outside, the feeling inside was warm and fuzzy! What an amazing time it was! It was fantastic to see so many familiar faces and also see how much our campers have grown up since last summer. Braces on, braces off and inches grown! However, the ear-to-ear smiles stayed as big and bright as they were during the summer. We had campers join us from as far as Florida, Philadelphia and Maryland helping to make the 2009 camp reunion our most widely attended reunion to date! We thank all of the parents who dropped off their children and hope you had a great time too.

Space Odyssey is an indoor recreation center and we had the entire building for our private use for 3 hours. Campers were each given a game card and were able to choose from

many different activities such as: bowling, laser tag, video games, small amusement rides and basketball. Combining all of these great activities with a great lunch and a lot of catching up with each other was a sure road to success. There is nothing like seeing your camp friends to help get you through the long winter and remind you that camp is coming.

We all sang along to the amazing music from the 2009 Summer Greatest Hits CD that was given out as a reunion gift. The CD was filled with so many of the camp songs that we all listened to on a regular basis throughout summer 2009. The best part is that we can all enjoy the CD at home and keep reliving our summer memories!

A special thanks to all of our staff who were able to join us as we know how happy it made our campers! With 2009 officially behind us, we now turn all our attention to making summer 2010 the best ever!!!

Then. Now. Always.

MITCH'S CORNER

Dear parents & family,

Every Year on New Years Day I know it's just 5 more months until I leave for camp. Each year on June 1, I arrive at camp for approximately 10 weeks. It's so exciting and of course the best part is when our kids arrive.

That's when the magic starts!! The property awakens with life, incredible life!!

However, for now, our camp is hibernating. Covered with snow it anxiously awaits spring time as do we all!! For now, the excitement is hearing about the campers and staff that are returning and how

excited the new campers and staff are for the upcoming summer. Each day, new and returning names contact us and sign up for Camp 2010. Our permitting has gone through for the new gymnasium and we are finalizing the plans for our brand new Skate Park. Evening activities are being booked and finalized. Each day of camp is being analyzed and scrutinized, keeping what worked and changing what didn't. The excitement is just starting again and will build and build until we are all together again at camp in 140 days!!!

With Love,

Mitch

Spring Enrollment Update

We want to once again express our sincere gratitude to so many of our families who continually recommend Camp Lindenmere to their family, friends and classmates. We know that there are many different summer options for children and we are proud that our campers think that Lindenmere is "the only place to spend their summer". This feeling is prevalent throughout our camp community and we are flattered by your praise as there is no better compliment than your continued support and recommendations.

If you are planning on enrolling or have friends that would like to enroll for Summer 2010, we encourage you to call the camp office ASAP as space has become extremely limited. Our strong enrollment trend has continued and we are still months ahead of last year's enrollment pace. For first session, we have now closed out several bunks and have limited availability in many age groups.

If you are enrolled, but considering extending, second session has already surpassed last years enrollment and because of this, we will be limited for extensions during the summer.

Camp Lindenmere (By Anabelle Harden)

The excitement is rising inside of me,
The closer it gets, the more people see.
I just can't wait for s'mores by the fire,
And outdoor adventure, where I climb higher and higher.
Water parks every Thursday, we do every ride,
And flying trapeze...but there's no need to hide!
Everything you do at Lindenmere is all fun, fun, fun,
I just can't wait until the school year is done.

There are so many majors, so many minors,
I just can't choose, I can't decide which is finer.
Swimming, skateboarding, circus, and baseball,
Archery, figure skating, fitness, to work all.
Golf, gymnastics, horseback riding, and running,
Tennis, yoga, karate, all too stunning.
Go karts, biking, basketball, and football,
Hockey, lacrosse, soccer, until you fall.
Softball, volleyball, kickball, and juggling,
Lira, magic, silks, soon you'll be struggling.
Trapeze, candle-making, ceramics, and crafts,
Drawing, heat press, jewelry, just typing this is making me daft.
Knitting, cooking, dance, and music,
All of this is just really too sick.
Boating, fishing, hiking, and nature,
But the bears stay away, so you aren't in any danger.
I am only halfway through,
But seriously, I don't want to bore you.
So, my friends, I now am done,
But I sure am ready for a summer full of fun!

CLOZ COMPANY ROADSHOW

COMING TO A PLACE NEAR YOU!

In order to help your family shop for our uniform as well as other camp necessities, we have once again partnered with the Cloz Company. Cloz puts together a "Roadshow" which travels around the Northeast and Florida through early April. At the Roadshow, your camper(s) can actually try on the clothing and have it fitted properly. If you purchase name tapes, the Cloz

Company also sews them onto clothing at no additional fee. The Cloz Company carries everything from optional and required Lindenmere logo apparel to other camp clothing as well as camp accessories. The Roadshow schedule can be found at:
