

Camp Lindenmere Connection

★ THE OFFICIAL NEWSLETTER OF CAMP LINDENMERE ★

What an amazing day at the funplex! It's always so great to get together with our camp family around the holidays. It warms our hearts to see the excitement, and hear about all the get togethers that have happened since camp. Seeing all of your laughs and smiles playing arcade games, riding rides, zipping around dodging each other in bumper cars, or trying out the new virtual reality games, always brings us right back to those summer days spent with bunk mates and camp friends. Our pizza lunch and ice cream sandwiches were the perfect meal for watching the camp slideshow before taking a spectacular group photo! We hope you're all enjoying your Lindenmere hats, scarves, and gloves to keep warm this winter. Our Winter Reunion truly helps the long off season feel shorter, and helps us strengthen one of the most rewarding communities to be a part of, CAMP! We hope everyone that was able to attend had the best of times, and we missed everyone that was unable to join us. We are looking forward to our Spring Picnic and the first day of camp when we are reunited for summer 2019!

Winter REUNION

The Connection

MITCH'S CORNER

Dear kids, Parents & family,

Only a few more months until I get to camp. How do I say this...I CAN'T WAIT TO BE THERE!!!!

The excitement of the buses pulling in and all our kids getting off is just around the corner. We are thrilled with how all our new bunks are coming. It is going to be amazing to see the faces of the kids when they go in them for the first time and make them their summer home! However, for now, our camp is hibernating, covered with snow as it anxiously waits for

summer time. For now, the excitement is hearing about the campers and staff that are returning and how excited the new campers and staff are for the upcoming summer. Everyone get ready to create memories that last a life time. Summer 2019 is almost here!!!

With Love,

Mitch

A LETTER FROM

THE ODIORNE'S

At Lindenmere we are always trying to stay ahead of the trends and habits of our campers. Over the last few years we have dealt with more campers that have "difficult" eating habits. Not that I don't love seeing all of their smiling faces coming up to me at every meal and ask-

ing for chicken fingers, or French fries, or a soft pretzel (yes you all know who you are), but we want to make our dining experience better for everyone. We have decided that our meals are going to be more of a food court style. By doing so we are going to

be offering multiple options at most meals (meals like pizza pretty much stand on their own!) Campers will be able to come to the middle of the dining hall where we will have 3 if not 4 options for them to choose from. We will focus on having some staples available every meal. Things like chicken fingers, grilled cheese, quesadillas that we know most kids will eat but also have other options like sliders, fish and chips and so on and so on. We are still going to be offering our amazing salad bars, baked/sweet potato bars, pasta and nacho bars for the meals. I am meeting with our food purchasing company to design a menu that is going to keep everything fresh and exciting for you! Our goal for 2019 is to have the best food in all of camping! So, come with an appetite as we are aiming to keep you healthy and full.

Then Now Always,

Odie, Monica, and Austin

REFER A FRIEND TO CAMP LINDENMERE

We wanted to announce that we are continuing our “refer a friend” program for 2019.

We currently receive over 50 new campers from our current or previous families each year. Lindenmere understands that you don’t have to make that connection for us but we certainly appreciate that you do. We wanted to think of ways that we could properly thank you and have decided that anyone that refers someone to camp, and they end up enrolling, we will send you a \$100 gift card for our camp clothing company “The CampSpot.” Last year we added many newly designed items to choose from and they were a hit! Just have your friends let us know that you referred them to us and we will put a gift card in the mail for you!

SPIRIT OF LINDENMERE

Bunk Updates

We wanted to give you a quick update on the bunks. All of girls side is now complete. Once the snow thaws and we can turn the water back on we will put in for our final inspection. Boys side is almost 60% complete. We couldn't be more pleased with the progress we are making. This was a MAJOR undertaking. Most camps would do this over a period of years, we are doing it in 6 months. Check out the latest pictures!

Everyone has been so impressed with the huge bunk project that we took on this year. We are too, but that doesn't mean that we won't continue to analyze all of our activity areas around camp as well. We are happy to announce that we are going to be replacing the three older lower tennis courts this winter. We have already started removing the old courts. We want our campers to be playing on nothing but the best. Since tennis is one of our more popular sports why not make good facilities great!
